MEMORANDUM FOR: Mr. James Q. Reber  
CIA TALENT Control Officer

Subject: Request for Approval for TALENT  
Indoctrination

1. The following individuals joining the immediate staff of the Director, Advanced Research Projects Agency (ARPA), have been determined to have a requirement for access on a continuing basis to TALENT information:

Mr. William H. Godel

Mr. Randolph V. Araskog

2. The above named individuals have been cleared and indoctrinated by this office for access to Category III COMINT.

3. Mr. Godel was indoctrinated for TALENT information in March 1957 and was debriefed on 31 July 1957 when he no longer required access to this information.

4. Upon receipt of approval of the foregoing, arrangements will be made within the Department of Defense to have both of these individuals indoctrinated, following which your office will be notified by memorandum.
